Atopiclar
NONSTEROIDAL CREAM

Symptom Relief for Atopic Dermatitis

Rx Only
FOR TOPICAL DERMATOLOGICAL AND EXTERNAL USE ONLY.
AVOID CONTACT WITH EYES.

Indications for Use: Under the supervision of a healthcare professional, Atopiclar nonsteroidal cream is indicated to manage and relieve the itching, burning, and pain experienced with various types of dermatoses, including atopic dermatitis and allergic contact dermatitis. Atopiclar nonsteroidal cream helps to relieve dry, waxy skin by maintaining a moist skin environment, which is beneficial to the healing process.

Directions for Use: Apply Atopiclar nonsteroidal cream to the affected skin areas 2 to 3 times a day (or as needed), and massage gently into the skin. If the skin is broken, cover Atopiclar nonsteroidal cream with a dressing of choice.

Ingredients: Atopiclar is an off-white, nonsteroidal cream comprised of Deionized water, Ethylhexyl palmitate, Pentaerythrytol tetrahydroxydodecyl acetate (antioxidant), Glyceryl stearate, PEG-100 stearate, Arachidyl glucoside, Behenyl alcohol, Arachidyl alcohol, Bisabolol, Tocopheryl acetate (antioxidant), Glycyrrhetinic acid, Carbomer, Ethylhexyglycerin, Piroctone olamine, Sodium hydroxide, Allantoin, DMMD hydantoin, Vitis vinifera, Disodium EDTA, Ascorbyl tetraisopalmitate, Sodium hyaluronate, Propyl gallate, Telmestaine, and Butylene glycol.

Cautions: The use of Atopiclar nonsteroidal cream is contraindicated in any patient with a known history of hypersensitivity to any of the ingredients. Atopiclar nonsteroidal cream does not contain milk, wheat, peanut or animal derivatives. Atopiclar nonsteroidal cream does contain shea butter (Butyrospermum parkii), a derivative of shea nut oil (not peanut oil). Patients with a known allergy to nuts or nut oils should consult their physician before using this topical preparation.

Other Patient Information: The formulation contains no dyes or fragrances and is well tolerated and safe for patients of all ages.

How Supplied: 100g tube.

Precautions: Do not use the product if the packaging is damaged or after expiration date. Store at room temperature up to 25°C (77°F). Do not freeze.
